

# TECH Expo

The logo features the word "TECH" in a bold, red, sans-serif font. Below it, the word "Expo" is written in a black, cursive script. A red lightning bolt graphic is positioned behind the letter "p" in "Expo". A black cable with a silver connector is coiled around the "TECH" text and the "Expo" text.

# GET YOUR HANDS ON NEW TECHNOLOGY.

Saturday, September 11

Come, touch, and learn about the latest technology used in worship. From Digital mixing consoles to DSP equipped amplifiers and networked loudspeakers.

Hands-on demonstrations, system consulting, and training.

Presentations last 30 minutes. There will be plenty of time to touch, feel, and ask questions about the technologies.
